CITY-CENTRE VENUE

FOODHALL

CAPACITY:

SEATING: 200 | STANDING: 500

Our food hall brings together 12 kitchens, from local favourites to vendors we've brought in from across the wider North. It's built for choice. Grab something quick between sessions, settle in with a few plates to share, or let guests make their own line-up as they move through the space. A tucked-away film screening area gives you a softer corner for private showings, presentations or brand moments. And with a dedicated kids' corner, it works just as well for family-friendly occasions, too.

PLATFORM

CAPACITY:

SEATING: 70 | STANDING: 200

For events where variety is key, Platform is for you. Our dynamic main bar space features award-winning food vendors, a raised DJ booth. This area is built for networking events, or parties where everyone's letting their hair down.

THE PLANT *Room*

CAPACITY:

SEATING: 200 | STANDING: 500 | OUTDOOR TERRACE: 300

A breath of fresh air, literally. The Plant Room brings the outdoors in, with a retractable roof, lush greenery, and city-wide views from our rooftop terrace. It's available for full or partial hire, with adaptable layouts and communal seating options. We recommend it for your more low-key meetings, or belta office socials.

RESTAURANT & Cocktail Bar

A premium, private dining experience designed for high-end events and corporate functions. Formal, but not stuffy. The space has its own cocktail bar, contemporary finishes throughout, and floor-to-ceiling windows offering panoramic views of the city. We can adapt the layout to suit the occasion — banquet for business dinners, cabaret for presentations, or a fully bespoke table plan, just for you.

CAPACITY:

SEATING: 200 | STANDING: 400
