XMAS *Dinner*

PULL UP A CHAIR.

Fancy something more intimate?
Xmas Dinner is cosier than the full office party, but dressier than an after-work cocktail. Gather everyone around the table for three festive courses, with plenty of sides to pass around.
It's served family style, just like Christmas dinner at Nana's. Because that's what it's all about: great company and even better food.

Let the drinks flow.
There's no rush and the night doesn't have to end after pud.
Mooch over to the bar. Get another round in. Go on, have a dance. Make it a late one.

Perfect for:

Small business parties, close-knit teams and groups who want dinner with built-in afters.
